Description

The Cloudline Series are decorative diffusers for commercial and residential applications.

The Cloud Bracket Series feature a soft, curved diffuser designed to envelop a metal strip fixture. The bracket's specially designed hardware allows it to easily attach to the knock-outs on each end of the fixture. These brackets are a perfect companion for the Cloudline series of surface mounted diffusers.

Application

The Cloudline series brings an updated look to residential and high-end commercial applications. The Cloud Bracket diffuser transforms a lower cost unit into a sleek, simple solution for restrooms, bathrooms, corridors or hallways.

Lamp Data

Series F62 components are available in one lamp 40 watt, two lamp 20 watt and 2 lamp 40 watt designs. These designs are capable of being used with linear or horizontal fluorescent lamps.

Ordering Information

Please call 877-257-5841 for price and delivery. Specify opening size when placing an order. Typical lead time is four to six weeks.

Notice

A.L.P. Lighting Components assumes no responsibility for suitability of luminaires and applications. The use of diffusers at temperatures near and above 70°C with high ultraviolet output light sources will cause degradation of the material.
