

INDESTRUCT-A-PUFF™

The Family is Growing!

1.5'x 2' Indestruct-A-Puff is the latest addition to the lighting diffuser line, manufactured with Dur-illum 2200™ Copolyester. Due to the revolutionary material technology, Indestruct-A-Puff is up to 16 times stronger than impact acrylic, while retaining superior optical properties, high transmission and smooth, uniform color.

ADVANTAGES:

- 40% less packaging saves transit cost
- Color Stable with UV Protection
- Stands up to Shipping and Handling
- Patented Plastic Clip ensure safe handling

NEW
1.5' x 2'
2' x 2'

PLASTIC CLIP

- Safe handling
- Grooves on the edge of the puff secure clip
- Aesthetically pleasing look
