

INDESTRUCTIBLE APUFF™

Totally Shippable • Virtually Unbreakable Diffuser

THE BENEFITS ARE IN THE DETAILS

Advantages of using A.L.P.'s New Patented Plastic Clip versus conventional metal clip

PLASTIC

- Soft plastic edges ensure safe handling
- Bright white color blends into the fixture and promotes a more aesthetically pleasing look
- Strategically placed grooves on the edge of the puff secure the clip's placement

METAL

- Sharp edges pose harm during installation
- Color of metal clip does not match the fixture-produces shadows
